

# THE P.A.S. REPORT PODCAST

with Nicholas Giordano

## ABOUT PROFESSOR GIORDANO

Nicholas Giordano is a distinguished academic with an impressive background in political science, emergency management, and homeland security. As a full-time tenured professor, host of The P.A.S. Report Political Podcast, and a Campus Reform Higher Education Fellow, he brings two decades of experience to the table.

His dedication to promoting free speech and intellectual diversity is unwavering. With a wealth of expertise in government, politics, and international relations, he is a sought-after commentator, regularly speaking on issues that impact all Americans.

Whether in the classroom, on the airwaves, or in public speaking engagements, Professor Giordano consistently offers insightful analysis and thoughtful commentary on the pressing issues of our time. His work has been published in multiple outlets, including Campus Reform, Fox News, The NY Post, The Federalist, The Daily Wire, The Washington Times, and others.

Professor Giordano is a passionate advocate for the principles of limited government, free speech, and individual liberty. As the host of The P.A.S. Report Podcast, he uses his extensive knowledge and expertise to shed light on the abuses of power within government, and to empower ordinary Americans to hold officials accountable and defend their God-given rights.

Prior to his academic career, he served as a Catastrophic Planning Lead for the New York State Office of Emergency Management, where he oversaw planning initiatives and coordinated response activities between government and private sector stakeholders. Professor Giordano's impressive accomplishments are a testament to his dedication to his field and his commitment to sharing his expertise with the wider public.

## ABOUT THE P.A.S. REPORT PODCAST

Professor Nicholas Giordano is a passionate and unwavering advocate for the principles of limited government, free speech, and individual liberty. As the host of The P.A.S. Report Podcast, he uses his extensive knowledge and expertise to shed light on the abuses of power within government, and to empower ordinary Americans to hold officials accountable and defend their God-given rights.

What sets The P.A.S. Report apart from other political podcasts is Professor Giordano's unwavering commitment to promoting these values. As a powerful voice in the conservative movement, and he is a champion for all those who believe in the power of individual freedom and responsibility.

Professor Giordano's critical analysis of current issues is not only informative, but it also empowers his listeners to exercise their civic obligations. By encouraging listeners to stay informed, ask questions, and hold officials accountable for their actions, he is promoting an engaged and informed citizenry. Whether you are a seasoned political junkie or just starting to engage in politics, The P.A.S. Report Political Podcast is a must-listen.

# PODCAST AUDIENCE MOST FREQUENT LISTENERS

The P.A.S. Report Podcast appeals to a diverse audience seeking common-sense analysis and alternative viewpoints, disenchanted with the media industrial complex. The targeted listeners are individuals passionate about politics and love of country.

With a unique educational perspective, Professor Giordano reintroduces significant American political concepts and philosophies, targeting critical issues and presenting them in an easily digestible format that resonates with everyday Americans.
